

This conical lantern offers a semi-traditional style with the benefits of a simplified finial and mounting assembly which ensures this lantern is suitable for modern installations. It is handcrafted in copper with stainless steel reinforcing rods secured in the frame.

With its cast column mounting and compact design, the Telford is ideal for residential areas adding a sense of class and heritage style. The Telford can cover a range of lighting tasks and meets all current lighting design standards. Although the Telford is most definitely a classical design, its simplicity makes it an eye catching and aesthetically pleasing choice for modern developments and heritage settings alike.

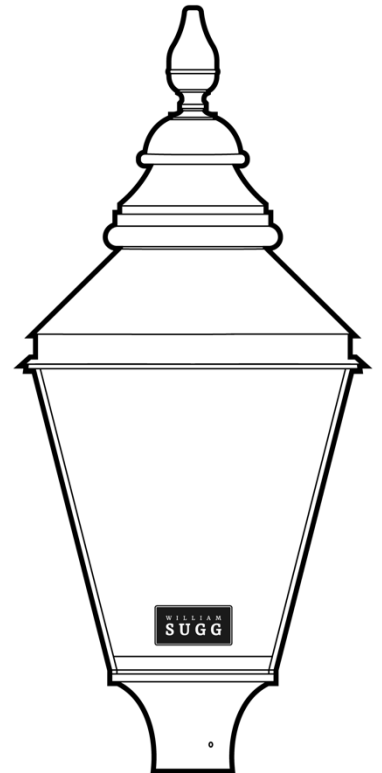

### Features

- Available in three sizes. **'Small'** - 13" (330mm), **'Medium'** - 17" (435mm), **'Large'** - 21" (533mm). *Please note all dimensions are approximate and subject to minor change.*
- **Light sources:** High performance (LED COB, LED panels, LED mantles). Conventional lamps with a range of optical distributions to meet varied applications are also available.
- **Lantern construction:**
  - IP54 and IP65 rated.
    - IP65 (medium only)
    - IP54 (small, medium and large)
  - Stainless steel reinforcing rods secured in the frame for structural integrity.
- **Glazing:** One-piece polycarbonate box glazing or individually glazed panels in glass, polycarbonate or acrylic and in various finishes including, clear, opal and etched.
- **Control gear:** The control gear, including LED drivers, is mounted in the tent canopy, which is secured.
- **Finish options:** Durable and long-lasting polyester powder paint finishes in a full range of RAL colours. The lantern can also be supplied unfinished or polished in natural copper to develop a patina. Specialist finishes, including marine grade, are available on request.
- Dark skies compliant.
- Emergency versions available.
- Single and two-part electronic photocells are available upon request.

### Mounting options

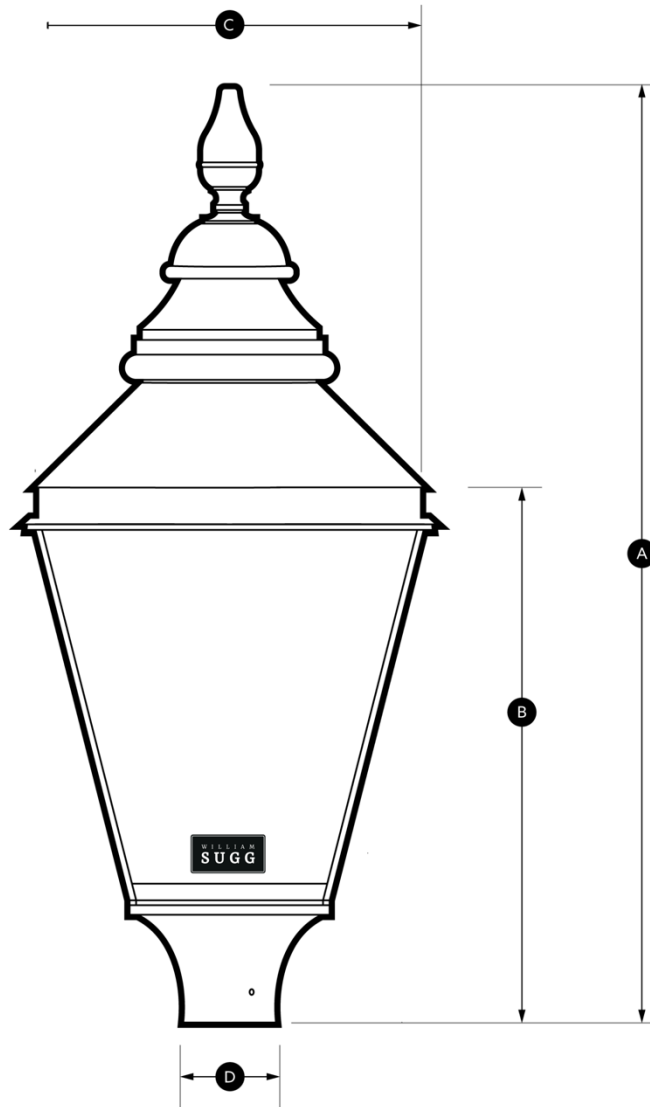

- Base mounted with a range of solid cast aluminium or fabricated steel mounting adaptors.

**Further technical information available on request.**
